SWR INSTITUTE ANNOUNCES THE ELECTION OF 2009-2010 BOARD MEMBERS

Kansas City, MO: March 16, 2009 — Sealant, Waterproofing & Restoration Institute (SWR Institute) has announced and would like to congratulate the 2009-2010 Board of Directors to serve during the Association's 33rd anniversary year. The election was recently held at the 2009 Winter Technical Meeting in St. Thomas USVI.

Elected President for 2009-2010 is Frank Halsey, Mid-Continental Restoration Company, Inc. in Fort Scott, KS. Halsey intends to focus his presidency on Brand Awareness, the marketing of our validation programs to our alliance partners / the end users, and the Value of Membership Involvement / Return on Investment.

Serving with Halsey are Jed Daniel, Seager Waterproofing, Inc. in Greensboro, NC, elected as President-Elect and Dan Cain, The George D. Alan Company, Irving, TX, elected as Secretary/Treasurer and Immediate Past President Eric Johnson, Allied Waterproofing, Inc., Milwaukee, WI. These officers make up the Executive Committee that will lead this year's SWR Institute Board of Directors.

The Directors elected are Steven Bentz, Facility Engineering Associates (FEA), Fairfax, VA; Robert Forrer, Spray-O-Bond Company, Milwaukee, WI; David Gladney, American Restoration, Inc., Wylie, TX; Dave Kimball, Dow Corning Corporation, Montgomery, TX; Mackey Welch, One State Contractors, Inc., Buda, TX.

The new directors join current directors already serving, David Boyer, PROSOCO, Inc., Lawrence, KS; Jim Grady, Tri-State High Rise Services, Poughkeepsie, NY; Mark Howell, Structural Preservation Systems, LLC, Elkridge, MD; Ron Pilla, Valcourt Exterior Building Services, LLC, Elizabeth, NJ; Peter Vorhees, Everest Waterproofing & Restoration, Inc., San Francisco, CA.
