**Validation Term:** 4/29/2009 - 4/28/2012

Seager Waterproofing, Inc. and Triumph Restoration, Inc. were reviewed by the SWR Institute Contractor Validation Committee for compliance based on the following criteria:

**Similar Project Experience** ~ Max 20 points

**Key Management Personnel** ~ Max 15 points

**Financial Stability** ~ Max 15 points

**Safety** ~ Max 20 points

**Training** ~ Max 20 points

**General Corporate Data** ~ Max 10 points

**Recognition Levels** (point totals):

Platinum (91-100); Gold (81-90); Silver (71-80); Bronze (61-70)

Contractors who wish to have their company validated through the Contractor Validation Program must complete an application form which shall be submitted to SWR Institute in triplicate. The application requires submitting various exhibits in order to eliminate any subjectivity. Exhibits consist of such items as similar project experience, reference letters, project awards, resumes, bonding rate, working ratios, worker's compensation adjustment factor, safety program, training program, insurance coverages, etc. The application will be reviewed by the SWR Institute Contractor Validation Committee and grades resulting in a bronze recognition level or better may be posted to the website. Results will be valid for three years, after which reapplication shall be required.
